

2024-2025 ALAMN Scholarship Program

The mission of ALAMN is to advance the role of legal managers through education, sharing of knowledge and resources, and recognition of their contributions to the legal profession. The chapter created this Scholarship Program to assist our members with their professional development and to align with ALAMN's mission of providing quality educational opportunities to all members.

The ALAMN Board of Directors oversees the Scholarship Program. The Board may revise the Program guidelines and has the discretion to direct additional funds into new or existing scholarships. Scholarship Program funding is based on a percentage of the Association's projected yearly revenue. By relating Program funding to yearly revenue, we seek to ensure funding for the Scholarship Program while remaining good stewards of the financial health of the chapter.

The Scholarship Program is administered by the ALAMN Administrative Director, who will announce scholarship recipients. Scholarship reimbursements are processed by the ALAMN Finance Director.

3. You **MUST** attend Conference and Chapter events occurring during the Conference if you accept a scholarship.
4. You **MUST** provide receipts for all expense reimbursement requests including conference registration, airfare, hotel accommodations for conference dates, meals, admission to any ALA-sanctioned event, airport parking, Uber, Lyft or taxis, etc. If actual expenses exceed the total amount of your scholarship, some expenses may not be reimbursed and would be the responsibility of you or your firm. See the ALAMN Travel Reimbursement Policy for details.
5. You **MUST** provide reimbursement requests, along with required documentation within 30 days following the conference to the Finance Director for approval and payment (2024/2025 Finance Director: Suzette Allaire suzette.allaire@maslon.com). After 30 days, reimbursements will not be made, and you will forfeit the balance of your scholarship. In addition, reimbursement requests may be submitted at the time of purchase prior to the conference.
6. You **MUST** use an awarded General Scholarship for the 12-month period from July 1 through June 30.
7. You **MUST** use a Board, Chair, SIG, and Administrative Volunteer Scholarship during the term year of April 1 and March 31. Board Directors or Team Chairs who receive and use scholarships, and who resign their position voluntarily prior to the end of their term year, may be asked to refund a corresponding percentage of any scholarship money received (i.e., serve 1/2 term, receive only 1/2 the scholarship money). Board and Chair Scholarships are otherwise non-transferable.
